Rationale:

As a Board one of our primary commitments is to ensure the safety of our students. This is even more imperative when an emergency occurs such as fire. During these situations, school staff may become confused or forget details. It is for this reason that this document has been prepared to be used in conjunction with the School Fire Safety Plan Template, which is part of the School Emergency Procedures Plan.

A master copy of the Fire Safety Plan shall be kept in the Main Office of the school and a copy will be submitted to the local fire department(s) each year. In addition, copies will be placed in the school gymnasium storage room or office, staff cafeteria (as per Policy 516 -
