- 2.1.6 2SLGBTQ students need educators to explicitly and visibly support, respect, include, and validate them.

2.2 Confidentiality

- 2.2.1 In the interest of safe and supportive environments, SGDSB is committed to ensuring that the confidentiality of the sexual orientation and gender identity of students and employees will be protected. Students and employees who identify as lesbian, gay, bisexual, transgender or transitioning will be given the support they require to do their work in a safe and respectful environment.
- 2.2.2 If a student is harmed as a result of their sexual orientation, gender expression or gender identity, or perceived sexual orientation, gender expression, or gender identity, an administrator will maintain the confidentiality of the student's sexual orientation or gender identity, and may not report the incident to the student's parent/guardian, if, in the administrator's opinion, doing so would put the student at risk of harm from the parent/guardian.

2.3 Guidance and Counselling

- 2.3.1 Superior-Greenstone District School Board will ensure that student counselling services and programs are free from discriminatory biases related to sexual orientation and gender identification, and that these services and programs do not underestimate the potential of 2SLGBTQQIA students, because of bias and stereotyping related to sexual orientation, gender expression or gender identity.
- 2.3.2 Superior-Greenstone District School Board supports the rights of 2SLGBTQQIA students to counseling that is supportive, affirming and free from efforts on the part of counselors to try to change their sexual orientation, gender expression and gender identity through the use of or the referral to aversion, reparative, or conversion therapies.
